

The HIINside Scoop from the IHA – July 2018

It is hard to say, but we are on the other side of the All-Star Break and the second half of summer is upon us! As we look forward to our second half of summer plans, here is what is coming your way in the HIIN. Please do not hesitate to contact [Adam Kohlrus](#) or [Kelly McMahon](#) with any questions you have as you read our newsletter.

WHAT'S NEW THIS MONTH

HIIN Annual Meeting – [Register Today!](#)

Please join us at our HIIN Annual Meeting to learn about programming opportunities we are planning for 2019 and beyond. The IHA HIIN team will be hosting two in-person events to celebrate the engagement we had in 2018 and to preview the programming we have planned for 2019. These events will take place on August 15 in Naperville and August 22 in Springfield. [Register your teams today!](#)

We encourage you to bring your teams! Anyone whom you feel would benefit from HIIN programming is welcome! Agenda highlights include:

- Opportunity to learn about the next generation of HIIN, as well as review the updates on some of our most popular program opportunities like Quality Improvement Fundamentals and Improvement Action Networks.
- Share important data platform announcements.
- Feedback from the field! We want to hear how we can make this work more value added for you, so come ready to share your feedback and ideas!
- 2018-2019 Calendar will be announced.

We highly value your input, feedback and guidance to our HIIN program and consider all of the HIIN hospitals to be partners in this work with IHA.

If you have any questions about the annual meeting, please reach out to anyone on the [IHA HIIN Team!](#)

Upcoming Simulation Workshop Dates

The Jump Trading Simulation and Education Center, the Rush Center for Clinical Skills and Simulation, and the Memorial Center for Learning and Innovation will provide multi-modal education to HIIN members. IHA has partnered with these sites to offer a number of simulation-based training events to be held across the state. These sessions will be capped at 25 participants, so register while spots still remain! All events are being offered free of charge to Illinois HIIN hospitals.

All events are being offered free of charge to Illinois HIIN hospitals. Training events will be highly engaging and emphasize the use of

simulation-based strategies to facilitate change in HIIN hospitals. Our focus in these six-hour events will be to provide attendees with simulation-based tools and techniques to augment the pursuit of higher quality care, patient safety and healthcare resiliency at the unit level.

If you are interested in **learning more about the IHA simulation trainings**, access the [IHA GLPP Simulation Training Webpage](#).

We encourage you to send educators, frontline staff, or clinical leaders to take advantage of this offering.

CAUTI

Tuesday, July 31 from 10am – 4:15pm
At Memorial Center for Learning and Innovation in Springfield

Sepsis

Monday, September 17 from 10am – 4:30pm

Data Announcements & Reminders

Please log into the KDS and check on the status of your PFE metrics, especially #4 and #5.

We encourage you to review [this resource on PFE #4](#) and [this resource on PFE #5](#) to confirm your progress toward meeting these metrics.

We need all hospitals to update their PFE data. These do not automatically update, nor will you be prompted to update them. We believe our current data does not reflect the progress many of you have made.

Please remember submit your data MONTHLY for the three adverse drug events and falls!

Tableau Data Platform

By now, everyone has received either an email from CompDATA with steps to create your account and/or an email or phone call from Kelly regarding the status of your organizations account.

You must respond to the CompDATA account initiation email and/or complete the survey sent by Kelly to obtain a HIIN Tableau account.

Once you complete the survey sent by Kelly, you will receive the CompDATA account initiation email that you must respond to in order to finalize your account credentials.

If you have a question about who in your organization has received account access via CompDATA or the survey, please contact [Kelly McMahon](#).

[Request a Site Visit from William Peters](#)

- IHA is dedicated to offering Improvement Advisor site visits to HIIN hospitals that [request assistance](#).
- Through the HIIN, William will be offering 10 different 1-2 day site visits which your organization can take advantage of free of charge.
- These visits can cover anything from improvement sciences 101, to using data for improvement, to assisting with struggling projects, to providing an improvement science primer for your executive teams.
