Data Resources & Reminders

Please remember submit your data **MONTHLY** for the three adverse drug events and falls!

If you have any questions regarding your HIIN data submission, please contact [Kelly McMahon](#).

Welcome

As November comes to a close, and we celebrate all we are thankful for, we wanted to take this time to thank each of you for your dedication to safety and quality improvement and wish you all a very happy holiday season. As we look forward to the holiday celebrations to come, here is what's important now in the IHA HIIN.

Please do not hesitate to contact [Brigette DeMarzo](#) or [Kelly McMahon](#) with any questions you have as you read our newsletter.

Sincerely,
IHA HIIN Team

“W.I.N” with the HIIN (What’s Important Now) Data-2000 Waiver Training

The IHA HIIN is thrilled to announce a second wave of Opioid Programming. The goal and objectives of the programming are outlined below.

Goal: Expand Number of Providers who Prescribe Buprenorphine to Treat OUD

Objective: Increase the number of providers with a Data-2000 waiver in Illinois

This program is being offered **free of charge and is open to all HIIN hospitals**. [View the training brochure for the program](#). Information on how to register can be found below. We look forward to engaging your clinicians in this program!

Data-2000 Waiver Training

Data-2000 Waiver Training will take place on **Friday December 7th from 8:30am – 5:00pm**.

There are two ways for your clinicians to engage in the training. Clinicians who wish to attend in person can attend at our IHA Springfield Office. Clinicians can also attend the training virtually via Zoom.

If you wish to attend either in person in Springfield or virtually via Zoom please complete [this registration](#). If you have any questions regarding this training, please contact [Adam Kohlrus](#).

Standing Opportunities

CIC, CPHQ, and CPPS Update

As announced at our HIIN Annual Meeting, IHA is offering certification opportunities for members of the HIIN. The IHA HIIN team is working to secure these certification opportunities during the 6 month HIIN extension period and will have information on how to access these opportunities in the near future. Stay tuned!

If you have any questions regarding obtaining certifications, please contact [Kelly](#).
