## IPFCC Patient and Family Engagement Seminar

The Institute for Patient- and Family-Centered Care (IPFCC), a nonprofit organization recognized as the leader in advancing partnerships with patients and families to improve and redesign health care, is holding its internationally acclaimed seminar, *Moving Forward with Patient- and Family-Centered Care: Partnerships for Quality and Safety*, June 13-14, 2019 at the Crowne Plaza Detroit Downtown Riverfront Hotel. MHA Keystone Center and Beaumont Health are providing leadership support. During this intensive training experience, attendees will develop understanding of and commitment to patient- and family-centered care and learn new strategies for building partnerships with patients and families to achieve the outcomes we have been working towards in our HIIN initiatives.

The two-day agenda offers several sessions tailored specifically for leaders, including:

- *A Leadership Perspective: Lessons Learned from Changing Organizational Culture*
- *Linking Patient- and Family-Centered Care, Quality, and Safety*
- *Measuring Patient- and Family-Centered Practice and Partnerships with Patients and Families*
- *Applying Patient- and Family-Centered Concepts to Design and Design Planning for Renovation and New Construction Projects*
- *Building High Performing Patient and Family Advisory Councils*
- *How to Select and Support Patient and Family Advisors as Members of Governing Boards*
- *Action Planning Sessions for Organizational Teams*

You can find additional information about the seminar at: [www.ipfcc.org/events/seminar.html](http://www.ipfcc.org/events/seminar.html).

## Upcoming Simulation Training

The Jump Trading Simulation and Education Center will provide multi-modal education to HIIN members. These sessions will be capped at 25 participants, so register while spots still remain! All events are being offered free of charge to Illinois HIIN hospitals. **We encourage you to send educators, frontline staff, or clinical leaders to take advantage of this offering.**
