

Why Attend a 2018 Safety Session?

- Tools/resources from National Speakers & Top Performing IL Healthcare Facilities
- Shared Lessons
- Continuing Education

Ask the Participants!

“Loved listening to a national content expert who could share processes that we can use at our hospital”

“I was able to collaborate and bring back key take-aways from our group discussion.”

This event is complimentary for Great Lakes Partners for Patients (GLPP) HIIN members of IHA, MHA, & WHA and MAPS PSO members.

The Illinois Health and Hospital Association is the CE sponsor of this program and the Midwest Alliance for Patient Safety PSO is the host and content developer.

What is a Safety Session Event?

It's a unique event focused on learning. Midwest Alliance for Patient Safety (MAPS) Patient Safety Organization (PSO) convenes healthcare providers to share patient safety experiences, discuss best practices, and learn from leading speakers and each other in a safe environment.

Every Safety Session presents a subject-matter expert and an Illinois healthcare organization sharing real-life experiences and processes focused on harm reduction. Wrapping up the event, the MAPS team facilitates break out group discussions to reinforce the day's curriculum. Attendees will share adverse events, challenges, and lessons learned. All information is de-identified to ensure an optimal learning environment.

This MAPS facilitated Safety Session is sponsored by the GLPP IHA HIIN initiative.

Safety Session

Preventing Pressure Injuries - [Register Now!](#)

Friday, February 16, 2018 - 9:00 am – 12:45 pm

Let's Practice Pressure Injury Prevention!

Pressure injuries are significant health concerns and one of the greatest challenges hospitals confront daily - from the high cost of treatment and the lack of reimbursement, to the impact on caregivers and patients' lives. Pressure injuries are considered a marker of poor overall prognosis and may contribute to premature mortality in some patients. Preventing pressure injuries is a challenge for healthcare professionals, and is potentially a preventable condition. Please join your HIIN and MAPS colleagues to learn about the new AHRQ Toolkit on Preventing Pressure Injuries in Hospitals, and discuss how we can prevent and improve pressure injuries.

Learning Objectives:

At the end of this presentation, the participants will be able to:

1. Examine the change process overall, and for pressure injury specifically
2. Determine baseline data and goal setting for pressure injuries
3. Discuss an implementation program and sustainability of the project

AGENDA

- 9:00 AM** 🌐 **Welcome**
Carrie Pinasco, Director, Midwest Alliance for Patient Safety PSO, IHA and **Adam Kohlrus**, Director, Institute for Innovations in Care and Quality, IHA
- 9:10 AM** 🌐 **Implementing Change – a Pressure Injury Prevention Program**
Karen M. Zulkowski, DNS, RN Executive Editor JWCET, Editorial Board Advances in Skin and Wound Care and Ostomy/Wound Management, and Associate Professor (retired) Montana State University (Naperville (live), Mt. Vernon, Springfield speaker via webinar-audio)
- 10:30 AM** 🌐 **Break**
- 10:45 AM** 🌐 **Pressure Injury Improvement Story: Edward Hospital**
Patricia Foley, BSN, RN, CPPS and **Rita Rusenias, BSN, RN, CWOCN**, Edward Hospital (Naperville (live), Mt. Vernon, Springfield speaker via webinar-audio)
- 11:30 AM** 🌐 **Safety Session Discussion**
Interactive discussion, sharing experiences & lessons learned with all participants
- 12:45 PM** 🌐 **Wrap Up**

We encourage you to send educators, frontline staff, or clinical leaders to take advantage of these offerings. There is no registration limit to the number of staff from a facility. Clinical teams are welcome!

CMS rules prohibit provision of food and beverages at HIIN events. Please feel free to bring water, coffee, etc. and a snack with you.

CE Statement: As the sponsor of the didactic lecture with interactive exercises, the Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 3.25 hours of nurse continuing education credit for this program.
