

Midwest Alliance FOR PATIENT SAFETY

MAPS is an Illinois Health and Hospital Association company.

JOIN MAPS PSO

The Midwest Alliance for Patient Safety (MAPS) provides full Patient Safety Organization (PSO) services, including privilege and confidentiality protections through **data collection/analysis**, **shared learning** and **collaboration**.

“Our goal is to prevent and eliminate medical errors via information sharing and patient safety education.”

Member benefits include:

- ▶ Full privilege and confidentiality protections for submitted events
- ▶ In-person Safe Table events and user group collaboratives that promote peer and professional insights into preventing adverse events
- ▶ PSO data mapping solutions and adverse event data collection
- ▶ E-newsletters, patient safety updates, webinars and training
- ▶ Affordable Care Act (ACA) requirements—MAPS fulfills participation in the health insurance marketplace while providing the benefits of PSO protection

Improve Patient Safety— PARTNER WITH MAPS PSO
