

MAPS Team Biography

Tammy De Leonardis

Executive Assistant, Quality, Safety and Health Policy at the Illinois Health and Hospital Association

Tammy De Leonardis is an Executive Assistant to the Vice President of Quality, Safety and Health Policy. She joined the Illinois Health and Hospital Association in September of 2014. Tammy is a team member who organizes and evaluates key process and tasks to facilitate a member engagement outlined with the Midwest Alliance agenda.

Prior to her employment at IHA, Tammy worked for MXD Group, formally Exel Direct, Inc. for 7 1/2 years as Administrative Assistant. She has over 11 years of Administrative support to senior level management and departments.

In previous years, she held a Facility Coordinator Position and Project Manager Position and has over 18 years of experience improving overall office operations and process while optimizing efficiency in the support of executives in various industries.
