

Who's Your Patient Safety CHAMPION?

Midwest Alliance for Patient Safety PSO wants your patient safety champion nominations!

The Midwest Alliance for Patient Safety PSO (MAPS) launched a "Good Catch" program to focus on the outstanding work of our health care workforce who make patient care safer for our communities every day.

MAPS PATIENT SAFETY CHAMPION AWARD recognizes both an individual and his/her organization for outstanding efforts in supporting patient safety. The patient safety champion recipient will receive a trophy and a second trophy will be awarded to the recipient's organization. The patient safety champion recipient will also be awarded a pin, a certificate, press photos, and recognition at MAPS PSO Annual Culture of Safety Workshop.

Nominees may include anyone who:

- ▶ Shows a passion and commitment to patient safety
- ▶ Identifies opportunities to improve patient safety
- ▶ Encourages colleagues to practice safe patient care
- ▶ Exemplifies and promotes the organization's safety culture
- ▶ Goes above and beyond their role in making sure patients are safe
